PROFESSIONAL SUMMARY

Product Manager / Product Owner with 6+ years of experience across B2B SaaS and B2C digital products. Experienced in end-to-end product management, from discovery and product strategy to roadmap prioritization, Agile delivery, launch, and optimization. Strong technical background working with web and mobile products, AI, APIs, payments, and analytics. Successfully launched products from 0→1 and scaled a B2B platform to 1,000+ users, combining customer insights, data, and business goals to deliver measurable product outcomes.

Education

MSc Financial Computing | University of Liverpool /(Xi'an Jiaotong-Liverpool) | Suzhou (China) | 2020

- Thesis Statement: A Comparative Analysis of Smart Contract Security Testing Tools on known Vulnerabilities.

BSc Accounting | City University of New York Medgar Evers College | Brooklyn, New York (USA) | 2017

PROFESSIONAL EXPEPERIENCE

TECHNICAL PRODUCT MANAGER | LOUCO EVENT MEDIA GMBH | GERMANY | 06/2026 - PRESENT

Event discovery and ticketing platform for local experiences.

- Own end-to-end product delivery across web, iOS, and Android, leading engineering, design, QA, and business teams from product discovery through production release.
- Led the rollout of ticketing and payments, including Stripe checkout, guest checkout, QR tickets, refunds, cancellations, and waitlists, enabling Louco's transition to an end-to-end ticketing platform.
- Delivered the Creator experience, from onboarding and event publishing to Stripe Connect/KYC, subscriptions, ticket management, and analytics, enabling creators to launch and manage events independently.
- Defined product analytics and conversion tracking across event views, ticket clicks, purchases, and QR scans, establishing visibility into the customer acquisition and purchase funnel.
- Improved release quality and delivery through backlog prioritization, user stories, acceptance criteria, cross-platform QA, and production testing, helping identify and resolve launch-critical issues before release.

SENIOR PRODUCT MANAGER | VENMATE | GERMANY | 09/2025 - 05/2026

AI-powered customer success platform.

- Implemented Scrum agile practices, boosting teams' efficiency by 40% and accelerating time to market for new features.
- Led a five-person dev team to deliver 4 major AI product releases, causing a 15% growth in monthly active users.
- Delivered integration of HubSpot, Pipedrive, Intercom, and Gmail, building reliable data pipelines to support scalable AI features.
- Collaborated with cross-functional teams and stakeholders to rework the app, eliminating unnecessary features and streamlining complex processes, which improved usability.
- Balanced stakeholder requests, bug resolution, and new feature delivery against the product roadmap, making tradeoffs to maintain delivery speed and product stability.

PRODUCT MANAGER | SAFURA DAO (AUDITONE-AFFILIATED VENTURE) | GERMANY | 09/2024 - 07/2025

Web3 asset protection and insurance platform.

- Delivered the MVP for a Web3 asset protection platform, leading product delivery, QA, and bug prioritization through launch.
- Led cross-functional execution across engineering, design, marketing, and risk, translating complex coverage, staking, and claims workflows into a simpler user experience.
- Shaped product positioning and roadmap priorities through competitive research and user needs in the emerging Web3 security and insurance market.

PRODUCT MANAGER | AUDITONE GMBH | GERMANY - HYBRID | 05/2022 - 07/2025

Blockchain security and analytics platform.

- Owned product development for a Web3 audit marketplace, scaling a network of 1000+ auditors and delivering internal AI and fuzz testing tools used in daily audit workflows.
- Drove MVP from zero to production, focus on QA and product readiness for a platform that secured €800k+ in seed funding.
- Designed and implemented KYC and auditor verification flows (identity checks + technical exams), enabling the onboarding of 400+ vetted auditors and improving trust in audit outcomes.
- Led roadmap planning and backlog prioritization, balancing stakeholder needs, bug fixes, and feature delivery to maintain consistent product progress.
- Planned and executed UX/UI improvements post-funding, simplifying complex audit workflows and improving usability for both clients and auditors.

WEB DEVELOPER / PRODUCT LEAD | CARROTPERSON | (REMOTE)| 10/2021 - 03/2022

- Built and launched an NFT website, handling both front-end and back-end development, ensuring seamless user experience and smart contract integration.
- Managed the NFT product lifecycle, from ideation to launch, ensuring alignment with market trends and user demand.
- Executed NFT marketing campaigns, utilizing Twitter, Discord, and Instagram to build a community, drive engagement, and increase sales.
- Engaged with stakeholders, including collectors, investors, and collaborators, to validate product-market fit and refine product offerings.

WEB DEVELOPER | GC INSIGHTS | CHINA (REMOTE) | 02/2020 - 01/2021

ESG analytics startup.

- Transformed Excel-based data management into a scalable web database, improving accessibility and efficiency, using
- HTML, CSS, JavaScript, MySQL, and PHP.
- Planned website development, converting mockups into a usable web presence using Wix.
- Provided front-end development support, creating visually appealing designs that aligned with brand standards
- Oversaw back-end development using PHP to maintain website integrity.

GRADUATE TEACHING ASSISTANT | XI'AN JIAOTONG-LIVERPOOL UNIVERSITY | CHINA | 01/2019 - 01/2020

- Supported undergraduate Computer Science courses through teaching, student mentoring, course material development, assessments, and grading.
- Acted as a liaison between students and faculty, helping resolve academic concerns and improve communication.

RETAIL MANAGER | SNEAKERKING | BROOKLYN, NY | 05/2013 - 10/2017

- Managed day-to-day retail operations, including sales performance, inventory, budgeting, customer experience, and staff management.
- Led and coached store teams while implementing initiatives to improve sales, operational efficiency, and customer satisfaction.
